

## 'ALLERGEN INFORMATION'

### Ingredients with allergenic potential according to ALBA-list

|                                                   |        |
|---------------------------------------------------|--------|
| 01 Cow's milk protein                             | Absent |
| 02 Lactose                                        | Absent |
| 03 Chicken's egg                                  | Absent |
| 04 Soy protein                                    | Absent |
| 05 Soy oil                                        | Absent |
| 06 Gluten                                         | Absent |
| 07 Wheat                                          | Absent |
| 08 Rye                                            | Absent |
| 09 Beef                                           | Absent |
| 10 Pork                                           | Absent |
| 11 Chicken                                        | Absent |
| 12 Fish                                           | Absent |
| 13 Shellfish and Crustaceans and products thereof | Absent |
| 14 Maize                                          | Absent |
| 15 Cocoa                                          | Absent |
| 16 Yeast                                          | Absent |
| 17 Legumes/Pulses                                 | Absent |
| 18 Nuts                                           | Absent |
| 19 Nut oil                                        | Absent |
| 20 Peanuts                                        | Absent |
| 21 Peanut oil                                     | Absent |
| 22 Sesame                                         | Absent |
| 23 Sesame oil                                     | Absent |
| 24 Glutamate                                      | Absent |
| 25 Sulfite (E220 - E227)                          | Absent |
| 26 Benzoic acid and parabens (E210 - E219)        | Absent |
| 27 AZO dyes                                       | Absent |
| 28 Tartrazine (E102)                              | Absent |
| 29 Cinnamon                                       | Absent |
| 30 Vanillin                                       | Absent |
| 31 Coriander                                      | Absent |
| 32 celery                                         | Absent |
| 33 Umbellifereae                                  | Absent |
| 34 Carrots                                        | Absent |
| 35 Lupin and products thereof                     | Absent |
| 36 Mustard                                        | Absent |
| 37 Peru balsam                                    | Absent |
| 38 Others                                         | Absent |

Date: 02.2025

Revision: 101

Product Name: NATURAL METHYL MERCAPTAN 1% IN PG

Product Code: 271600

## 'ALLERGEN INFORMATION'

### Ingredients with allergenic potential according to EC-labelling

|                                                                                                           |        |
|-----------------------------------------------------------------------------------------------------------|--------|
| 01 Gluten containing cereals and products thereof                                                         | Absent |
| 02 Crustaceans                                                                                            | Absent |
| 03 Egg and egg containing products                                                                        | Absent |
| 04 Fish and fish containing products                                                                      | Absent |
| 05 Peanut and peanut products                                                                             | Absent |
| 06 Soybean and soybean products                                                                           | Absent |
| 07 Milk and milk products (including lactose)                                                             | Absent |
| 08 Tree nuts and products thereof                                                                         | Absent |
| 09 Celery and celery products                                                                             | Absent |
| 10 Mustard and products thereof                                                                           | Absent |
| 11 Sesame and sesame products                                                                             | Absent |
| 12 Sulfites and SO <sub>2</sub> in a concentration of more than 10 mg/kg or 10 mg/l (as SO <sub>2</sub> ) | Absent |
| 13 Molluscs and products thereof                                                                          | Absent |
| 14 Others                                                                                                 | Absent |
