

## TECHNICAL DATA SHEET

---

|                     |                                                                |
|---------------------|----------------------------------------------------------------|
| <b>PRODUCT NAME</b> | <b>NATURAL TRIISOBUTYLDIHYDROTHIAZINE 10%<br/>IN TRIACETIN</b> |
|---------------------|----------------------------------------------------------------|

---

|                     |               |
|---------------------|---------------|
| <b>PRODUCT CODE</b> | <b>401710</b> |
|---------------------|---------------|

### INFORMATION

|                        |                                                   |
|------------------------|---------------------------------------------------|
| SYNONYM                | 2,4,6-Triisobutyl-5,6-dihydro-4H-1,3,5-dithiazine |
| FEMA NO.               | 4017                                              |
| EEC CUSTOMS TARIFF NO. | 33021090                                          |
| LEGAL STATUS           | Natural flavouring substance (1334/208)           |

### SPECIFICATION

|                              |                                  |
|------------------------------|----------------------------------|
| APPEARANCE                   | Colorless to light yellow liquid |
| AROMA                        | Meaty, roasted                   |
| PURITY (GC)                  | 10% min. solution in triacetin   |
| SPECIFIC GRAVITY (20°C/20°C) | 1.128 - 1.138                    |
| REFRACTIVE INDEX (20°C)      | 1.435 - 1.441                    |

### STORAGE

|                    |                                                                           |
|--------------------|---------------------------------------------------------------------------|
| STORAGE CONDITIONS | Store in full containers under inert gas - under cool and dark conditions |
| SHELF LIFE         | 12 months                                                                 |

Date: 07.2025

Revision: 101
